**RE: FOIL Appeal for FOIL Request 049-2024**

Dear Mr. Parolisi:

This letter is in response to your FOIL appeal sent via email on February 29, 2024. Your appeal is based upon the following "My request did not seek any open cases. It sought any certified police reports from January 1, 2020 through February 9, 2024. Therefore, I believe this rejection is in error unless there are absolutely no police reports at all during that period that reference Tasha Diaz."

Pursuant to Public Officers Law Section 87(2)(e)(i) an agency may deny access to records that are compiled for law enforcement purposes to the extent that disclosure would interfere with law enforcement investigations or judicial proceedings. The records you seek pertain to a case that is still open with the Yonkers Police Department. As such, upon review of the matter, please be advised that the appeal is hereby upheld. This is a final determination on your FOIL request made on February 12, 2024 and a final determination of your appeal.

Very truly yours,
