Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I have heard on the news that there is a consideration on extending TERM LIMITS. I am writing to you today to plead for this to occur.

Our City has been at its best ever since Mayor Mike Spano came into office. Through his work you can see that he truly loves the City and it's community. His work and efforts have demonstrated to the community that he wants our City to be at the the top making communities / families happy and enjoying raising their growing families in this City.

Ever since Mayor Spano`has been in office he has made tremendous changes such as the waterfront, developing new buildings, bringing in MGM, renovating housing buildings and encouraging small businesses to open.

The Yonkers School District remains one of the safest school districts and Mayor Mike Spano continues to increase its funding to help the children and schools. He is also building a new school after so many years of not having a new school in the City. Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York! This in itself explains what Mayor Mike spano has done for our City.

During the Global Pandemic, Mayor Mike Spano did a fantastic job at providing the City with everything needed to assist families and ensure safety also providing updates as they occurred. I don't think we would have made it through the Pandemic with such comfort if Mayor Mike Spano was not our man in office.

I eagerly urge that the extension of TERM LIMITS be extended so our Mayor can run for office once again. He he is the one who belongs in the seat as the City of Yonkers Mayor.

Thank you for your consideration.

Thank you,

Daniel Botelho

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the city of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

Dear Council Member:

As a City of Yonkers resident, I am sending you this email to urge you to vote in favor of the Local Law recently introduced by the City Council, to extend Term Limits for entitled Officers.

I believe if this legislation passes it would be a positive effect especially for residents like myself. Us residents still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen enormous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York! I myself included as a City of Yonkers High School graduate.

The positive changes happening in our City especially during the Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in favor of the Local Law to extend Term Limits.

Thank you for your consideration.

Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Dear City Clerk,

I am writing this e-mail in support for Mayor Mike Spano to run for a fourth term. I believe that Mayor Mike Spano is the best possible candidate for our city, Yonkers. Mayor Spano leads with his heart and is always looking at the bigger picture for all citizens that live in this great city.

I work in a family business right in downtown Yonkers. We specialize in non-emergency medical transportation for developmentally disabled adults.

I can personally attest to Mayor Spano's compassion by mentioning that a few years ago when there was a huge ice storm all of our busses got stuck with our clients onboard. Mayor Spano caught wind of one of our busses stuck on Locust Hill and he personally came in his SUV helped me put the client in his vehicle and transport the client home safely so they were not stuck in our bus all night. I will never forget that act of kindness.

No matter who you are, or where you come from, Mayor Spano always makes the time for everyone. He truly loves our city.

Thank you for reading my e-mail, and I hope you'll join me in backing Mayor Spano for a 4<sup>th</sup> term.

Thank you,

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member,

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" regarding Term Limits.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. This means that Yonkers residents would still have to VOTE for anyone seeking another term, so Yonkers residents will ultimately make the decision.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has been a driving force for Yonkers and has accomplished more than any other Mayor. He increased school funding every year since he took office. He is building the first new school in more than 25 years. Yonkers now has a high school graduation rate of 90 percent – the best of any big city in New York State!

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

The news outlets have broadcasted that there is consideration for extending TERM LIMITS. I am writing to you today to encourage this to be passed and agreed upon.

As a Yonkers resident for over 35 years I have never seen the City at its best since Mayor Mike Spano. I have been through numerous Mayors in our City and Mayor Mike Spano has been the best elected official in office as of today. Therefore considering for the extension of term limits would be very beneficial for our city.

Mayor Mike Spano have does so much for our great city and continues to have plans to improve our city even more so. He has done some great works such as redoing the waterfront, developing new and modern buildings, bringing in MGM & Lionsgate, renovating & modernizing buildings and bringing in new small businesses. Everyone in the city can see that Mayor Mike Spano truly loves this city and the community. His inner fire and love for the city has been seen through his wonderful work around the city and all of his efforts.

I raised my daughter in this city and she is a graduate of the Yonkers Public School system. My granddaughter is also enrolled in the Yonkers School District. With that being said, I am proud of the district because of their safety and the efforts in teaching our future minds who will one day be the continued change to the City of Yonkers. Mayor Mike Spano continues to increase its funding to help with these efforts and now building a new school after 25 years.

During the Global Pandemic, Mayor Mike Spano did a fantastic job at providing the City with everything needed to assist families and ensure safety also providing updates as they occurred.

Out of all the Mayor's I have seen in office throughout the years, Mayor Mike Spano has been the one to brag about and I have seen so many positive changes from his work.

With this I once again urge for the extension of TERM LIMITS for the Mayor and Counsel members. Let the people be the ones to have the voice and allow Mike Spano obtain our votes once again.

Thank you for your consideration.

Thank you,

Antonio Pedro
