Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

Dear Council Members:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

I hear that there is consideration on extending Term Limits for the Mayor and Council Members. I am writing to you today because I highly encourage and agree with the extension of the Term Limits.

Our City has been at top notch ever since Mayor Mike Spano has been in office. The community can see that he truly has love for his city and wants to make it the best city for residents, business and even visitors.

Mayor Spano has made many changes such as new developments, renovations, city clean up, make over to the waterfront, bringing in MGM and Lionsgate and encouraging the opening of new small businesses.

I am proud to say that I am a Yonkers School district Graduate and currently have my child in the Yonkers School System. Yonkers has a high school graduation rate of 90%. This is the best of any big city in the State of New York! The Yonkers School District remains one of the safest school districts and Mayor Mike Spano continues to increase its funding to assist children and schools. I am excited to see the new school he is building. Yonkers has not seen a new school in over 20 years.

During the Global Pandemic, all communities were afraid of the unknown and Mayor Mike Spano assured us all via social media and news outlets of all the latest updates to ease our concerns. He did a terrific job during such an unprecedented time. I can speak for many that we are proud we had such a wonderful Mayor in office during a very scary time.

I urge that the extension of TERM LIMITS be extended so our Mayor and Council Members can run for office once again.

Thank you for your consideration.

Thank you,

Maria Pedro
