Dear Council Member:

My name is Madeline DiMartino. I reside at 41 Marshall Road, Yonkers, NY.

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Luke Kusick

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Residents, like myself, still hold the key to anyone seeking another term - their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent - the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration. Matthew Carozza 7 king ave

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

Dear Council Member:

As a resident of the City of Yonkers, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

If this legislation passes, each elected official would still need to make their case to the public via a traditional campaign if they choose to run again. Residents, like myself, still hold the key to anyone seeking another term – their VOTE.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. Mayor Spano has increased school funding every year since he took office and is building the first new school in more than 25 years. Not to mention, Yonkers has a high school graduation rate of 90-percent – the best of any big city in the State of New York!

The renaissance occurring in our City even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safe thanks to our police department.

Once again, I urge you to vote in the affirmative on the Local Law amending Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Thank you for your consideration.
