Dear Members of the Yonkers City Council,

As a mother of 3, lifelong Yonkers Resident, and nurse, I am writing to urge you to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS. I urge each of you to extend term limits and allow Mayor Spano to run for one more term.

Any Council member that votes against this amendment will be doing a disservice to this city and we won't forget that. We don't want to hear that the voters OVER 20 YEARS AGO put term limits in place. Your job is to represent the people of this city TODAY not the people 20 years ago. DO NOT COME KNOCKING ON MY DOOR DURING ELECTION IF YOU VOTE NO ON THIS AMENDMENT.

Mayor Mike Spano has lead this city to greatness even during tough and unprecedented times. We need him for 4 more years.

Respectfully,

Dear Council Member:

In favor of removing term limits

My name is Joseph N. Sayegh , son of Dr and Mrs. Nadem and Diana Sayegh. I have two brothers living at my address all born, and raised and a current residents of Yonkers New York. I live in the Homefield area, at address 72 Westminster Dr.

I was of the first generation of students to fully go through a Desegregated Yonkers public school system , as famously portrayed via HBO's "Show me a hero". I graduated Yonkers high school in 2011 , and have lived in the island nations of Antigua and Barbuda , Aruba and Curacao. I have lived in Pasadena California, Bayshore Long Island, but as Judy Garland in the Wizard of oz has famously said "there is no place like home".

All of these experiences has given me the vision too see a situation from many points of view, from the surrounding demographics around me for richer or poorer, darker or whiter.

I say all of this not because I think anybody gives a shit , but I would like to justify my opinion on behalf of my household in asking the city council to vote in favor of the Local Law recently introduced by the City Council, which amends Chapter C, Article II, of the Charter of the City of Yonkers entitled "Officers" in relation to TERM LIMITS.

Hence I do not give this opinion of being in favor of overturning term limits as privileged child of a doctor. I have no ambitions of ever holding civil servant job, or being employed by the city of Yonkers. I am currently studying to be a physician, and living on borrowed money. I give this opinion as somebody who has seen the best and worst life has to offer.

I disagree with term limits because I think it is ok to have sustained leadership. The Spano administration has done well for the people of Yonkers in my opinion. I see much that has been done, and much that still needs to be done. I believe the current democratic party has moved too far left, and having a seasoned moderate democratic mayor is beneficial for our city. I believe the administration has been unbiased towards all citizens throughout the income spectrum of our city. Everybody has something to complain about, and something to be grateful for. I have noticed the changes within the demographics of our police dept, teachers , elected officials and neighbors that have constantly inched forward in fairly representing the demographics of Yonkers.

George Washington did not have term limits but he self imposed them on himself for the greater good of the country. Yonkers is not a country , it is a large village where many know each other , or know somebody who knows somebody. Keeping the small town aspect by having a recognizable mayor whom I feel is able to relate to all is for the greater good of our city. We can not compare the precedent set by the president of the United States over 200 years ago to our local agenda today. The fate of this city and the children of the next generation can not risk going down the slippery slope of having poor choices on the ballot. We don't want a Hillary, Donald situation on the ballot, we need our Bloomberg we need Mike Spano. I would rather have the choice of having a safe , and proven bet on the ballot next year for the people to decide. If they want Michael Spano to continue being the mayor of Yonkers They can exercise their duty and vote in the next election.

Sincerely Yonkers Citizen

Dear Yonkers City Council Members,

My name is Hilda Annabi, one of your constituents. I currently reside at 22 Ellison Ave, Yonkers NY. The reason for my correspondence is because I'm very concerned about an upcoming vote. I urge each of you to please vote YES to extend term limits. Many Yonkers seniors like myself have grown acclimated to our community politicians. When we have grievances, we know who to speak with and that it will most likely get resolved or be referred to someone who will resolve it. Think of it like they are all pieces of a moving part. We need all of our politicians working together for the benefit of our community. But when you throw in someone new because you have implemented term limits, nothing will get done because these new politicians would need time to learn the system, and by the time they have it partially figured out, they are out and a new one is elected and nobody gets the help they need, there would be no community politics and your constituents would be extremely frustrated. Mayor Spano should be given the opportunity to run again. He has kept us safe and secure through the pandemic and these nationwide violent crime waves. Mayor Spano has kept Yonkers from becoming an extension of NYC. Thank you for your time and consideration.

Regards,
Hilda Annabi

Good morning council members, I am writing this email in support of the local term limit extension and as the people request you all vote YES.

I believe the people should have the choice of whom we want to represent us. If the current mayor is doing a great job which I believe he's doing an exceptionally great job, we should have the opportunity to keep him in office and vote him in again. Why should someone that's doing a great job and the people want should be limited by a law which does not represent the choice of the people. As a lifelong resident, went to public schools here and is now raising my 4 children here I support the term limit extension 100%.

Mayor Spano, my name is Matt Simmons. I've been around you once or twice, a year or 2 ago when you delivered toys to School 25 and most recently at the Yonkers PTA meeting on Nov 14th. I'm not emailing you as the president of school 25 PTA or even as an employee of Yonkers schools. I'm emailing you as a proud citizen of Yonkers. I'm emailing you because I came to Yonkers in 1983. I've seen the worst of Yonkers. I was almost disgusted. But now, now I'm proud of our city. This city has become a model for other cities. This city promotes growth, diversity, and family values. And all of this is due to your leadership. Every resident of Yonkers should look up at the glowing lights of city hall at night, look at development being made, and be proud of where we are. I'm proud to be a single dad of a 13 year old 8th grader at YMH and know that you have developed and promoted programs for people like me in my situation. I'm proud to lead MBK at School 25, a program you have helped grow in our schools. And I'm proud to tell people where our city will go, but that only happens if you run for mayor again. I fully and wholeheartedly support you and will do all that I can to see that you get in office for four more years if that's what you decide to do. Again, I thank you for not bringing Yonkers back, but for bringing Yonkers up. God bless you.

Council members;

We are writing to you today to strongly urge you to vote for the local law to extend term limits.

We are unmoved by the nay sayers that don't support the extension. The same people that I watched on tv last night are the same people that I've seen support Congress people and nys senators and assembly people for way more than 16 years yet they say term limits is what they believe in. we in my family call bill shit on them.

The mayor is moving Yonkers in the right direction. I'm proud to say I'm from Yonkers ny and that hasn't always been the case.

In closing, We ask that you not take our choice away from us. Term limits takes away our right to vote for who we want.

Also, anyone who votes against this, they should not be able to reap the benefit of running again. We have seen a member vote no but yet run again. So how strongly did she believe in term limits? Exactly!!!

To whom this may concern,

I am writing in regard to the proposed term legislation. Yonkers has seen great momentum through the years — new businesses that give back to the community, a thriving school system with impressive graduation rates, revitalized parks, well-maintained roads...I am comfortable with the idea of increasing term limits if this momentum can continue. I am proud to say I live in Yonkers and I am excited for the future here.

I understand the concern of many. They see term limits as a way for individuals to monopolize positions of power, but this is where the power of the vote comes in. We get to vote for the most qualified candidates each November. Don't like what's happening in the city? Vote. Like what's happening in the city? Vote. An expanded term limit should not be so threatening. Just vote.

Thank you,

To the Members of the Yonkers City Council,

My name is Mariacristina Pattera, I have been a resident of Yonkers my whole life and recently purchased a home in the Park Hill area. I feel like Mayor Mike Spano has been doing a wonderful job leading this city and bringing it up to what it is today. I am in favor in extending the term limits as I would like Mayor Mike Spano to continue his work in developing the city for the better and making it a destination close to NYC.

My elderly grandparents, also Yonkers residents and homeowners, also asked for me to write on their behalf they are also happy with mayor Mike Spano work and would like him to remain as Mayor and therefore are in favor of extending the term limits.

Respectfully Yours,

Mariacristina Pattera

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

To the Yonkers City Council -

My name is Andrew M Romano, I am a lifelong resident and business owner in the City of Yonkers.

I am writing to you today as I am in favor of extending the term limits for Mayor Mike Spano. Some of you may know me and know that I love this City and all the history that comes with it. I have watched over the years the progress in the downtown area as it has been building up around me. My office has been located in Ghetty Square for over 50 years when my father John Romano began his law practice at 20 South Broadway. I have watched from my window on the 9th floor as the buildings have gone up along the river and now from my conference room as Lionsgate Studio has moved in. The changes are wonderful and very helpful for my business. I can remember years ago when people (clients) would shutter at the words ok we will close in my office in downtown Yonkers as if they were afraid. Now with all the changes that the Mayor and the City Council has made people are excited to come to my office and jaw dropped by how far the City has come.

Yonkers is very dear to myself and my family. I have known Mayor Spano for years and find him to be a respectable, good hearted, wonderful Mayor that truly cares about his constituents.

I feel that extending the term limits will allow the Mayor to see through his vision and that of many by building up the City and making downtown Yonkers a destination. I think it would be very detrimental to the City if Mike Spano was not able to continue his work.

I urge you, the members of the City Council to take my opinion into consideration when voting YES to extend the term limits.

Thank you

My name is Karly Grosz, I am a 10 plus year resident of the City of Yonkers. I currently live at 5 Main Street, #2L, Yonkers, New York 10701.

I am writing to you today as I am in favor of extending the term limits for Mayor Mike Spano. I have watched over the years the progress in the downtown area as it has been building up around me. I presently live in the old Library building which was one of the buildings I believe was converted into luxury apartments as part of the downtown beautification.

I feel that extending the term limits will allow the Mayor to see through his vision and that of many by building up the City and making downtown Yonkers a destination. I think it would be very detrimental to the City if the Mayor was not able to continue his work.

Dear Council Member:

As the Yonkers Downtown Waterfront BID ("YDWBID") Executive Director, I am writing you to let you know about the excellent working relationship that the YDWBID has with the current administration. We both work to continue developing the downtown community, to encourage successful businesses within the BID boundaries and to enable downtown residents, old and new, to have a good quality of life.

The City of Yonkers has seen tremendous progress under the existing leadership of Mayor Mike Spano and our council members. The renaissance occurring in our City, particularly in downtown Yonkers, even during a Global Pandemic has been remarkable with new businesses opening up, art projects on display, new developments and more importantly, our city is safer thanks to our police department.

Once again, the YDWBID has always had an excellent rapport with the City of Yonkers and Mayor Spano's administration and will support the next administration. Thank you for your consideration.

Dear City Clerk Spano,

I am writing to let you know that the Wallace family supports extending term limits.

We are aware that New York State Senator's and congressmen do not have term limits. We believe city mayors should fall under the same law.

We believe extending term limits is not an attack on our democracy but in fact will enhance democracy in action through elections.

In the event anyone has any questions or concerns as it relates to my email supporting the extension of term limits I can be contacted via email or phone. My phone number is listed at the bottom of this email.

To the City Clerk's Office,

As a Yonkers resident, I would like to express my support for the proposal to amend Article 2 Section C2-2 of the City Charter, which would extend term limits for elected city officials to four terms of four years each. The City has benefited greatly from Mayor Spano's effective and responsible leadership, and he deserves the opportunity to stand for re-election next year.

Thank you for your consideration and please feel free to contact me via the information below.

To Whom it May Concern with regard to Mayoral Term Limit Extension (a joint statement)

Consistency in leadership impacts us all. We all know the time it takes to make a difference in any given job position let alone one with such responsibility. The benefit of extending term limits is when you have a great Mayor, they can continue to lead the city in the right direction.

Mayor Spano has focused on a multitude of things that enrich our community and turn our lives-Education, Arts & Culture, Employment, Affordable Housing, Balance between Development and Greenspace, the list goes on. So many positive contributions and accomplishments. He is kind, down to earth, approachable and someone with genuine regard for those around him. He knows his community, the people, their needs and he listens. We'd like to see Mayor Spano continue to do the good work he does by giving him the opportunity to do so.

This opinion is not just for the next term but also for the future of Yonkers. -The next time we get someone as beneficial to our community as Mayor Spano in leadership, it's only fair to give the public the opportunity to vote for them. Why not give the people that right? Ultimately the people decide with their vote.

Though I live in Ardsley, I've been a long-time business owner in Yonkers under the companies Royal Petroleum and Castle Royale.

Mike Spano has always been there to support entrepreneurs and growth within the city.

His leadership allows for this city to prosper and support communities from different backgrounds and provides for many jobs to improve residents' quality of life.

We urge that city council passes the appeal to extend term limits to allow Mayor Mike Spano to serve another term.

Monday, November 21, 2022

Dear Members of the Yonkers City Council:

I am writing to support the extension of term limits for elected officials in Yonkers. What makes Yonkers a great place to live and enjoy is the accomplishments made by Mayor Mike Spano and the City Council. The list is far too long to speak on, but one just has to look around the city to see what they are. I will share though that Yonkers is more ADA accessible which has helped people with disabilities be an active part of the community and enjoy what the city has to offer.

We have curb cut ramps and accessible pedestrian traffic signals at our street intersections. We see more accessibility in our public buildings and parks. And we have a garden that is accessible for all to enjoy using their sense of touch, taste, smell, sight and hearing.

Mayor Spano and the City Council have worked to ensure inclusiveness, accessibility and equality for all (wanting only the best for the citizens of Yonkers). I would like to see that continue by having the opportunity to vote for them if they choose to run for another term. Having the extension of term limits pass will open the door for that opportunity as we should continue to have the best in office to represent us like Mayor Spano and members of the City Council.

Thank you for all you do/God bless!

Warm regards,

Carole Conklin

To whom it may concern,

On behalf of the Yonkers Arts non-profit organization; this letter is to showcase and demonstrate support for increasing the term limits for Mayor Spano. Mayor Spano has been a critical supporter and advocate for the arts here in the City of Yonkers. While we understand that the topic of increasing the limits may cause contention, we're confident that under the leadership of Mayor Spano, Yonkers will continue to thrive and set precedents for those to follow.

The decision to support was voted and passed unanimously through the Board of Directors under the direction of Ray Wilcox, Executive Director.
